### NACY is committed to:

- Facilitating participation and collaboration of our members and others in the development of consensus on policies, programs and practices to improve outcomes for children,
- Promoting public awareness and understanding on issues that matter for children and youth,
- Providing public education regarding children, youth and families,
- Conducting and disseminating research into relevant trends and issues,
- Developing, encouraging and improving opportunities for skill development and knowledge transfer among individuals, organizations and groups in support of children and youth,
- Developing and promoting a public policy agenda in support of children, youth and families.

\_\_\_\_\_ **is committed to:**

*(Name of organization)*

- Participating in NACY surveys and research, where applicable.
- Fees are paid annually on your anniversary date.
- Ensuring appropriate screening for all staff and volunteers that have direct connect with children and youth (under 18) to ensure their safety and protection e.g. a criminal reference check and vulnerable sector check, or other appropriate means.

### Together we commit to...

- Creating open and inclusive spaces to discuss the state of the sector and the role NACY can plan in supporting organizations on the national stage.
- Working together to move forward change in the children and youth sector.
- Recognizing the history of colonization and the intergenerational impact it has on Indigenous peoples and grounding our practices in truth and reconciliation.
